

European Forum High-level Meeting

Düsseldorf Statement in support of the
Seoul Declaration on Safety and Health at Work

Düsseldorf, Germany, 4 November 2009

On the occasion of the European Forum: “High-Level Meeting on the Düsseldorf Statement in support of the Seoul Declaration on Safety and Health at Work”, held during the International Conference on “Implementing Occupational Safety and Health Standards Globally”, in Düsseldorf, Germany on 4 November 2009, during the A+A International Trade Fair and Congress on Occupational Health and Safety,

The participants

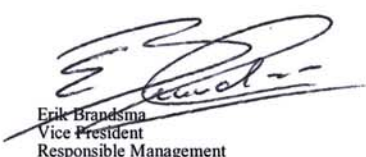

Recognizing the historic importance of the Seoul Declaration on Safety and Health at Work adopted by the Safety and Health Summit on 29 June 2008 on the occasion of the XVIII World Congress on Safety and Health at Work, organized jointly by the International Labour Office (ILO), the International Social Security Association (ISSA), and the Korea Occupational Safety and Health (KOSHA),

Recalling that, particularly during a time of a worldwide financial and economic crisis, the continuous improvement of working conditions is paramount and the right to safe and healthy working conditions should be recognized as a fundamental human right,

State their full and unconditional support to the background and objectives of the Seoul Declaration. The participants commit in particular to join the signatories of the Seoul Declaration in taking the lead in promoting a preventative workplace safety and health culture worldwide.
